

# BENCHMARK BARRELS

## CUSTOMER INFORMATION FORM

Please fill out this form when shipping any parts or firearms to us.

Some things to consider when shipping your items:

- Be sure firearms are NOT LOADED! Check your chamber, or better yet remove the bolt and wrap separately
- Wrap parts and any other loose items separately so they don't bang together in shipping
- Secure all parts and firearms within the packaging so there is no rattling or movement
- Include a copy of this form in your shipment so we know what we're receiving
- Be sure firearms are NOT LOADED! Check your chamber, or better yet remove the bolt and wrap separately
- Benchmark Barrels is not responsible for customers poor shipping protocol and any subsequent damage
